ASDB
ARIZONA STATE SCHOOLS for the DEAF and the BLIND

What wonderful fun we all have when we look back at our old ASDB yearbooks!

I would like to thank the 2007 - 2008 yearbook staff for giving us the opportunity to remember this school year now, and again in the future. Over time this yearbook has recorded our history, our traditions, our life. Looking back to what we were years ago and seeing what we are now, fills us with dreams of what we can be in the future. The theme this year is, "This is so ASD." The yearbook is "so ASD." It is filled with wonderful memories, great staff and students, and having fun while growing and learning. Special good wishes to our Seniors! May you carry the "ASD" spirit with you as you continue your life.

Sincerely,
Sue Hunter, Principal
